We invite you to visit our holly farm at Earleville. Our constantly improving methods of feeding and irrigation assures you of husky healthy trees.

All our hollies are container grown. You can select and load your truck in minutes — no advance notice and no long delays. Our containers give you a compact root ball — no transplanting shock and an all-season planting and selling schedule.

#### HOURS

8:00 A. M. to 5:00 P. M.

Closed Sundays

All prices are F.O.B. our farm. — 2% cash discount. Delivery can be arranged at reasonable cost.
